

CSR FOR A

BRIGHTER FUTURE

navitasolar
conserve | sustain | flourish

“Sustainability - A Path for the Future” was conceptualised as a series of awareness lectures to spread awareness about environment, sustainability, carbon neutrality among the young students. The aim is to sensitize the younger generation, which may help them to become a responsible citizen utilizing the resources of mother earth in a conscious way.

Navitas Solar has launched “JYOTI” initiative as a drive of giving back to the society. The slogan for the JYOTI initiative is “Prajwalito Gyanmayah Pradeepah” which means to light the lamp of knowledge.

Various SDGs that covered under this initiative are: This kind of lecture satisfies SDGs like

- Quality Education
- Affordable and Clean energy

SUSTAINABLE DEVELOPMENT

Tribal Education in Association with Ekal Vidhyalaya

Navitas Green Solutions Pvt. Ltd. has collaborated with Sanskar Shiksha Kendra, Shri Hari Satsang Samiti, Surat. The organization tries to make the tribal life addiction free and tries to help them live a life in the best possible way with their available resources. 140 villages of Gujarat are adopted by Navitas Solar through this initiative.

Tree Plantation in Association with Forest Creators

Pulwama Shahid Vann:

As the environment plays a vital role in the sustainable environment, Navitas Solar Group has contributed to the project aiming for reforestation commemorating the Martyrs of the 2019 Pulwama Attack by creating a Miyawaki Forest of 40,000 trees in conjunction with the Social Forestry Department.

Skill Training & Development in Association with Round Table Foundation

Ashram Shalas, a school run by the Round Table Foundation, works predominantly for the educationally handicapped children in the state of Gujarat. The Round Table India provides school facilities in remote villages where they built Ashram Shalas with easy accessibility for transportation, education, food, and other facilities.

The children who come from underprivileged families and who have been abandoned are educated in these schools with hostel facilities. Each school has a strength of 100-150 students.

Kurelia Ashramshala - 2017
Project Cost: 35 lakhs

Achhavani Ashramshala-2018
Project Cost: 35 lakhs

E-Learning Block, Chikhali-2018
Project Cost: 8 Lakhs

Pindwal Ashramshala-2019
Project Cost: 58 lakhs

Skill Training & Development in Association with Anil Naik Technical Training Centre

The first institute to introduce the concept of skill training for school dropouts in remote villages of South Gujarat, Anil Naik Technical Training Centre (ANTTC) has developed various job opportunities for these students. ANTTC developed a training program for solar power technician skills to develop the talents among the youngsters.

Being an associate with ANTTC, Navitas is sharing the knowledge, newest technology, and development in this field. We also conduct placement opportunities for deserving students.

Sustainability Award: Navitas Solar has WON the Annual MSME Sustainability Award for the year 2021-22

We are extremely humbled to announce that Navitas Solar has WON the Annual MSME Excellence Award and Annual MSME Sustainability Award for the year 2021-22 organized by The Bengal Chamber of Commerce and Industry (BCC&I). It feels like a great honor to be awarded for all the hard work and dedication of the team towards this success. It's surely an inspiration for us to perform even harder and aggressively in the field of #Manufacturing and #Sustainability.
